

## MEETING OBJECTIVES

To discuss current techniques and issues in spine surgery

To provide training and education for existing innovasis spine systems and to introduce products in development

## CHAIRMEN

### **Brent Felix, MD**

Alpine Orthopaedic Specialists  
Salt Lake City, Utah

### **Alan Moskowitz, MD**

Kansas Joint & Spine Institute  
Wichita, Kansas

### **Michael LaGrone, MD**

Amarillo Orthopaedic Specialists  
Amarillo, Texas

### **Camden Whitaker, MD**

Kansas Joint & Spine Institute  
Wichita, Kansas

### **Eric Wieser, MD**

Arlington Orthopaedic Associates  
Arlington, Texas

## FACULTY

### **Brent Adams, MD**

Kansas Joint & Spine Institute  
Wichita, Kansas

### **Renato Bosita, MD, MBA**

Texas Back Institute  
Plano, Texas

### **Ashraf Darwish, MD, JD**

DAK Spine Institute  
Chicago, Illinois

### **Milan B. Herceg, MD**

Ohio Orthopedic Center  
Columbus, Ohio

### **Jessica Shellock, MD**

Texas Back Institute  
Plano, Texas

### **Derek Snook, MD**

The Cardinal Orthopaedic Institute  
Columbus, Ohio

### **Jon White, MD**

Irvine Orthopaedic Specialists  
Irvine, California

### **Yonas Zegeye, MD**

National Orthopedics and Neurosurgery  
Palm Beach, Florida

### **William Zerick, MD**

Central Ohio Neurological Institute  
Columbus, Ohio
